TUESDAY EVENING, OCT. 13, 1908.

Ridder and Bryan.

dangerous for the country than the creation," armed or unarmed.

man [Bryan] who on economic ques-tions is ignorant and who, prompted As a matter of fact, we have a navy will be able to crowd it in this genera-tive, his is mely honesty appealing, and

der can hardly believe Bryan is es- story to an audience of ostriches. sentially different by reason of anything that has happened in the last three months; and three months ago he considered Bryan the same Bryan that he had been in 1896 and 1900.

The fact is that Ridder is one of a great number of Democrats who believe that the best way to be rid of lieve that the best way to be sticking to his part, and he ought to feel that Hamlet. Here, however, he comes reasonably close to sticking to his part, and some of his stories of former days want with the same old vin.

It lieve that the best way to be rid of liever that the best way to be sticking to his part, and some of his stories of form only. They are determined, at what-

All these provinces together are of a brotherhood with Servia and Montenegro. And they comprise the nation

of the Servians. Out of a high civilization rooted in the Middle Ages, as a Servian prince urges, out of a common tongue, a com mon literature and a common political ideal, these 10,000,000 look on mistrustfully while Austria swallows the lands of a great fraction and raises a club over an equal fraction in Servia. When, therefore, an American would understand the danger of general turmoil, as a consequence of the recent Austrian conquest, he must contemplate this great nation of Serb blood, everywhere

resourceful and everywhere warlike. But there is ground for believing

Salonica is the key to overland and overser commerce with Middle Europe. Up in Servia, Nish or Nissa is the gatelock. If Austria-Hungary is to burst her isolation she must make Salonica Court of Elsinore Shows her own and Nish. If that is to come to pass, the way is made easier by control of Turkey's Serb frontier. And Daily, one year \$3.00 once that control is gripped in non-.\$2.50 Turkish hands the lid is open and all

Europe is involved. These are the possibilities of Count Baron von Aerenthal's ambitions for his government.
